**Presents
The Hexagon Revolution**

Online entries from November 14, 2016 to January 13, 2017

Entries are quilts that are based on the book by Katja Marek, *The New Hexagon: 52 Blocks to English Paper Piece* and/or *The New Hexagon Millefiore Quilt-Along*. Quilters have long used hexagons in quiltmaking. A selection of hexagon based quilts will make a powerful statement at our International Quilt Festival Chicago, 2017. Only newly made (within the past 5 years) hexagon quilts will be considered for inclusion in the exhibit.

I just booked my trip to Chicago today. I wouldn't miss this for anything!

I hope I'll see you there, and maybe your quilts as well.

There are 2 very special blocks this month Block 38: Sonja named for my Mom, and Block 36: Elly although named for someone else is also my Mom's middle name.

My Mom Sonja Elly (Lasczig) Marek is an amazing person with incredible talent.

Although she says she's not creative, if you give her a task she will give you back the most incredible workmanship.

When The New Hexagon was about to be published some friends decided she needed a book as well and this little book, a tribute to her and her work was born.

Celebrate your talents!
