

## Shine

51 3/4" (at the overhanging star points) x 54 3/4" (at the longest point across the hexagon center)

You will need 24 - 3" fractured hexagon blocks from *The New Hexagon Perpetual Calendar* plus 48 - 3" equilateral triangle Paper Pieces for the star. The large diamonds outside the star are 12" - 6-point diamonds (not including seam allowance). The center edge of the star is appliquéed to the background.

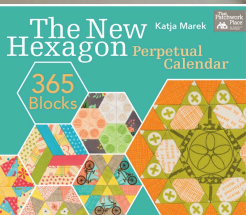

The outside points of the star appear to hang over the edge of the quilt. The quilt is highly quilted, around a series of words. I wanted this little quilt to become a baby quilt, and to give one-word directions to live life. I have quilted the following: Dream, Love, Believe, Trust, Hope, Laugh, and in the center: Shine
