Week 8

The weeks are flying by, don't you think? This week will be done in no time, as its pretty straight forward.

Covid has come and gone in my family, but my mom and I managed to avoid it.

I've found the past 2 years very stressful as a small business owner of a brick and mortar shop, so the next week is my first time off in over 2 1/2 years, with a week enjoying the Pacific Ocean on Vancouver Island.
