Week 11

It's hard to believe we're at week 11 already. Everyone's quilts are really starting to take shape. I love seeing all the unique interpretations.

If you are attaching each week's section as its made, and using 1" units, then your quilt top is getting fairly large by now. I'm finding it hard to photograph the Progress shot already. I may have to show you only a portion of the quilt with the newest section added as we start to move forward.
