### Week 23

We're slowly approaching the half-way mark in this sew-along. Are you keeping up? Or are you allowing yourself to go at your own pace?

I've seen a few finished Homage quilt-tops posted on Instagram, and in the Facebook group already. It always blows me away when I see other people's interpretation of my designs. There are as many possibilities as there are quilters taking part. Make sure to share your progress for the inspiration of others, and remember to use the hashtag:
