Week 26

Half-way folks!

That's right, we are now half-way through the quilt!
That's quite an achievement.

It's difficult in a year-long sew-along to maintain interest, enthusiasm, and commitment. This is why I designed the sew-along always to build on the previous week, so that you can see your progress and investment in the quilt.

Homage to Mutti

This past week Paper Pieces released a new little project called: Homage to Mutti, in honour of my mom, who I call Mutti, and who has long loved making EPP minis. The quilt is comprised of 3/8" hexies making up the wreath, which is then applied to a background. Check out PaperPieces.com for more info.
