## Week 31

The weeks are slipping by, and suddenly we are at Week 31. Once again I neglected to photograph my Mom's weekly section before it was added to the main quilt top. I haven't done that since the early weeks, oh well...

The heat of summer arrived in a big way in Kamloops with temperatures around 39C. Although quite hot, thankfully not like last year where we broke an all time record of 47.3C.
