## Week 35

You may remember my telling you that my daughter is expecting right as this sew-along comes to an end, well this week we get to find out whether baby will be a boy or a girl. I'll let you know next week.

There's another little bee that's flown into my mom's weekly section, and speaking of bees, did you see the sweet little pattern freebie that Paper Pieces released this week?

Go have a look at Buzzy Bees on their website.
