### Week 41

Eight years ago this week, my first book, *The New Hexagon*, was released to the public. It went on to become Martingale's number 1 selling title in 2015, and remained at number 5 for 2016. Each year since 2015, I have hosted an online sew /quilt-along based on one of my publications. My question to you today is this: how many of my sew/quilt-alongs have you participated in?
