## Week 49

We're into December at last, which means we are on the home stretch. There's only 3 weeks after this one, and those of you who have kept up with the weekly sewing will have a completed quilt-top at year-end. This week I'd like to give a shout out to Erin from Paper Pieces. Erin created all those perfect weekly drawings, and whether anyone noticed or not, she stayed true to the original quilt with all the colors used in the weekly sections. **Thank you Erin,** I couldn't have done it without you!
