Week 50

Once you've sewn the week 50 section to the week 46/49 sections, you'll notice that it also butts up against several hexagons of the week 1 section. Leave that section unsewn until after weeks 51 and 52 have been added, to make things easier.

The end is oh so close now, only two more weeks to go. As much work as these weekly posts have been, I've loved making this 2nd quilt so much. Now I'll have another Homage top to quilt, plus of course my mom's as well. All in good time, for now we are expectantly awaiting a new baby at our house.
